

flow/include/dispatch
_ostream.h

```
graph TD; A["flow/include/dispatch_ostream.h"] --> B["ostream"]; A --> C["flow/dispatch.h"]
```

The diagram illustrates a header file dependency. At the top, a gray box contains the text 'flow/include/dispatch_ostream.h'. Two blue arrows originate from the bottom of this box. The left arrow points to a white box labeled 'ostream'. The right arrow points to a white box labeled 'flow/dispatch.h'.
